

89KM FOR KIDS FIGHTING CANCER - COMRADES 2013

30 July 2013

THANK YOU

The 89km for the Kids campaign of 2013 made a total donation to the Steve Biko Paediatric Oncology ward to the value of **R58 500.00** (this also means that the 89km for the Kids campaign collected **R128 500.00** in total for the ward over the last two years).

Of the R58 500.00, we made a payment to *Lemontree* to the amount of **R33 000.00**. The money will be used to redecorate the ward's dining hall.

In addition, we also purchased three flat screen televisions, hard drives and brackets for the three bigger wards to the value of **R25 500.00** - which was installed, last Saturday – please see the pictures below. Now the children can watch movies when the days are long and boring in their hospital beds!

THIS IS ALL THANKS TO YOU AND YOUR KIND CONTRIBUTIONS!!

WE WILL BE BACK IN 2014 AS THERE IS STILL A LOT OF WORK TO BE DONE AT THE WARD TO IMPROVE THE LIVES OF THOSE CHILDREN.
